ABOUT ME

26/ 06/ 82 Madrid

Hi!!! What's up? My name is Ana Lucila Zambrana Fernández, but my stage name is Lucila Fernández and that's how I introduce myself. I was born in Madrid, but currently live in south of Spain (Cádiz)

The design for me is everything, that's why I have studied higher studies in graphic design, fashion design, and interior design.

EXPERIENCIE

Káhyra Firm
Textile graphic designer

2011-2012

Among my tasks was the capture of trends, creation of moodboard, clothing design, photography and image editing, brand maintenance and social networks, creation of prints, window dressing.

Artistic Center of Fashion and Design (EDA)
Teacher in fashion design.

2013-2016

I have experience as a fashion design teacher. I was responsible for subjects such as fashion history, digital fashion and projects and advice for students.

Organization manager and development of parades for students, collaborator in backstage and costume control.

Ikea
Interior Designer

2017

I have experience as an interior designer, among my duties was the creation of home spaces, moodboard creation, choice of construction materials, woven, articles for the development of spaces, decoration, window dressing, furniture assembly, lamps, curtains, accessories and development of distribution plans in autocad.

Eskamas Firm
Graphic designer / illustrator

2016-2018

I have worked for this sports firm as a digital illustrator, my functions: Rhythmic gymnastics jersey design, for professional children's teams, I was in charge of the design of the pattern, of several sizes made in autocad, and of the design digital artistic design printed by sublimation.

Freelance
Textile graphic designer / Digital influencer

Currently

I currently work as a freelance and develop works that cover all types of designs, such as illustrations, prints, t-shirt design, as well as interior design for example; development of distribution plans, creation of trade show stands, and home renovations.

On the other hand, I also work as a fashion Instagmer, and I collaborate with beauty and style brands, I personally take care of the edition of my photographs to offer good feed and content.
